MEGA NEWS: PATRIOT GAMES WILL BE TAKING OVER THE SYDNEY 4WD SHOW!

Sydney 4WD and Adventure Show, 13-15 October 2017

With Series 1 just finished airing on Channel 9, and Season 2 already on the making, Patriot Games is THE biggest television show to come out of Queensland!

Jason Montesalvo from Patriot Campers is taking his family to the edge of the earth – quite literally – as they test the limits of a variety of vehicles.

The television series is based around Justin's philosophy that life is a game, get out and play it. And play they do, with buggies climbing to the top of rocky inclines that most people would stay away from. With the family heading out in the 4wd and caper trailer to find the most remote places that they can. With fishing expeditions, and tonnes of 4WDing – basically just living the life they love and filming it all to share with viewers.

Patriot Campers are long time supporters of the 4WD and Adventure Show; and in 2017, we are very excited to welcome Justin to the Engel Bush Camps Stage to talk about Patriot Games and share some of his stories.

And of course we can't forget this – they'll also be bringing a little piece of machinery called the Megatourer!!

This is one of the most talked about new off road vehicles in the Industry. Officially launched to the public earlier this year, the Megatourer is taking the country by storm – it's something that must be seen to be believed!

The list goes on!

Show Director Peter Woods can't stop talking about the Megatourer, saying it's a "once in a lifetime" vehicle that everyone should come and see!

"There's nothing else like this in Australia – where else do you get to see a \$400,000 6 wheel drive vehicle?!" Peter said.

"And to hear from the team on how they went about designing and building the Megatourer is even better!" Peter said.

"We can't wait to see the Megatourer at the Sydney 4WD and Adventure Show thanks to the team at Patriot Campers," he said.
